Your guide

Your first visit to Los Cabos is easier when the basics are organized before arrival. This guide covers practical planning topics and the questions worth asking before you book transportation, activities or day trips.

Before you travel

• Save your hotel name, full address and reservation details somewhere accessible offline.

• Review your airline’s baggage and travel requirements and check official government travel information relevant to your nationality.

• Plan how you will get from the airport to your accommodation. Confirm whether transportation is shared, private or arranged by your hotel.

Getting around

• Cabo San Lucas, San José del Cabo and the Tourist Corridor are separate areas. Confirm distances and pickup arrangements rather than relying on a general destination label.

• For tours, ask whether transportation is included, whether pickup is available at your hotel and whether a surcharge applies to your location.

• Use the exact meeting-point instructions provided by your operator.

Money and communication

• Ask in advance which payment methods are accepted and whether prices are quoted in Mexican pesos or another currency.

• Check with your mobile provider about roaming, data and international calling before departure.

• Keep booking confirmations, receipts and supplier contact information available.

Booking activities confidently

• Read the inclusions and exclusions carefully.

• Confirm duration, group size, age limits, physical requirements and meeting point.

• Understand the deposit, remaining balance, cancellation and weather policies before paying.

• Keep written confirmation of the exact product and date you booked.

Planning note

Tour details, prices, schedules, inclusions, access rules and safety requirements can change. Information in this guide is general and is not a substitute for confirmation from the tour operator or local authorities. Verify the details that apply to your travel dates before making a reservation.
