• Shared catamaran cruises can be a social option for couples, families and groups who want a scheduled outing.

• Private yacht or catamaran charters allow a group to reserve a vessel for its own occasion, subject to capacity and charter terms.

• Some cruises focus on sightseeing, while others may include food, drinks, music or entertainment. Confirm exactly what is included.

What to compare

Make the evening comfortable

• Bring a light layer because it can feel cooler and windier on the water after sunset.

• Arrive early enough for check-in and boarding instructions.

• If traveling with children or guests with mobility needs, confirm suitability with the operator.

• Follow crew instructions and remain in designated areas while the vessel is underway.

Private celebrations

• For birthdays, anniversaries or proposals, ask about private charter availability, decorations, catering and music rules.

• Confirm any additional charges and setup time in writing.

• Share the occasion and your preferred atmosphere when requesting a quote.
